SYSONBY IN A GALLOP, 1 offer. Mr. Gideon, for some reason, refused the

WINS BRIGHTON DERBY.

Agile Never Able to Catch Flying Son of Melton.

With less aggressiveness than he had shown t previous races, but with the same confident air and the same frictionless, space conquering stride Sysonby won the 6fth renewal of the Brighton Derby at Brighton Beach yesterday. The field Sysonby disposed of was made up of only Agile and Pasadena, but in the former colt, which he met on even weight terms, it was supposed-oefore the contest-he had an adversary worthy of his stamina and speed. It was because of this that the small inclosure held one of the largest crowds

Racing folk will travel far and endure endless discomflure to watch a contest in which a present day thoroughbred is likely to make the great son of Melton extend himself. The opinion that Agile ald do this, and tright even take the measure was shared not only by a portion of public, but by the owner and trainer of the

Sir Dixon colt, who both backed him, This confidence was imparted to others, who sen money into the ring to make the race extremely profitable to the layers. Some of them ces on Sysonby to the extent of laying I to I against him, but the wagers of the plangers knocked this price to 1 to 4. Pasadena was considered at all, except as a candidate for a place, and 200 to 1 was offered against him.

If the spectators thought that Sysonby, by any hance, would run a waiting race, they were disappointed directly the barrier was lifted. Nicol him promptly over to the rail, and, under double wraps, the favorite blazed the way for the

Agile apparently had only one run in him, and int he gave in the backstretch in the last five eighths, when Martin hustled him up to Sysonby. where he hung for a moment, but Nicol viewed the effort complacently and did not take the trouble to let go a wrap.

At the stretch turn Martin went to the whip, but Agile already had given of the best he had and was hopelessly beaten. At the end Sysonby was a length or two in front and Pasadena could not be seen through the same pair of field glasses. The mile and a half was run in 2:33 1-5, but few doubt that the colt could have broken the track record of Hermis-2:22 1-5-had he been ridden

For a getaway day the Brighton Beach Racing Association offered a most attractive programme, and, in addition to the Brighton Derby, the Winged Foot Handicap, for two-year-olds, at six furlongs, and a steeplechase handicap were run. The fact, moreover, that the day marked the end of local racing until the horses return from Saratoga also tended to increase the half holiday

In the Winged Foot Handicap Geo. C. Bennett demonstrated that he could do what his owner has dways contended-take up weight and win with it. He gave Single Shot, considered a fast filly in any npany, twenty pounds by the scale, and Quorum a pound more. His own impost was 125 pounds, Single Shot tried to make it interesting for the

Orsini colt, and succeeded fairly well through the backstretch, but it was soon seen that she held the position only on sufferance. As soon as Nicol called on his mount seriously, which he did at the upper turn, the colt went away easily enough, and, although W. Knapp used whip and spur, he could never catch the leader again, and was beaten

Quorum was never a factor in the race, and was beaten at the start. In the speculation not much preference was shown between Geo. C. Bennett and Single Shot, although the former was sent to the post at the slightly shorter figure.

Although none of the starters in the steeplechase

over the short course could be considered more than second raters, they put up a rattling good race among them, and it was not until the last jump had been cleared that the result ceased to be in doubt. At that point Dick Roberts drew away from Grandpa and won under a mild drive. The two had been pacemakers throughout. Nitrate, with 160 pounds made a

Nitrate, with 160 pounds, made a valiant bid, but came a buster at the Liverpool and turned a complete somerand. Plying Machine was the runner up. The Hayes pair, coupled in the betting were hot favorites. As high as 6 to 1 could be had against the winner's chances. The dozen or more youngsters that opposed Vino in his efforts to leave the maiden class had little opportunity, and, as the sprint progressed, the chances grew more remote. Larable and Flavying chased him home. The winner was a 2 to 1 lavorite.

Nicol, who came on from the West, rode the two stake winners yesterday. In the Winged Foot Handicap he had the mount on George C. Bennett and in the Brighton Derby he rode Sysonby.

Mr. Keene, it was reported, was so pleased with his colt's victory in the Brighton Derby that he made Nicol a present of \$1,000. The colt cooled out nicely, and will be shipped to Saratoga to-day or to-morrow.

HAGGIN BUYS M'CHESNEY.

Son of Macduff Will Be Sent to Elmendorf Stud.

Every horse in the racing stable of E. E. Smathers was sold at auction at Brighton Beach before the races yesterday, and excellent prices were realized. There were many well known per-formers in the stable, and the bidding at all times

The once great McChesney, by Macduff-Manola Mason, for which Mr. Smathers paid \$39,000, was not offered, having been sold to J. B. Haggin at private sale. He will be shipped to the Elmendorf

Stud of Mr. Haggin in Kentucky.

The star of the sale was the two-year-old Security, the winner of the \$25,000 Great Trial Stakes. which was knocked Jown to Pat Dunne for \$10,500. Security is a half brother to Ort Wells and Dick Wells.

Long Branch Horse Show Closes with Record Attendance.

(BY TELEGRAPH TO THE TRIBUNE.) Long Branch, N. J., July 29.—The twelfth annual exhibition of the Monmouth County Horse Show Association closed to-night with a show by elec-tric light, at which over six thousand people were present. The attendance during the afternoon was the largest of the show. It was estimated at five thousand. The exhibition was the most successful ever held. The attendance during the four afternoons and one evening was nearly twenty thou-

Society from all along the Jersey shore attended the closing of the show. The gathering exceeded any ever seen at the Long Branch show. It was 9:30 o'clock before the crowd began to arrive. Handsomely gowned women attracted as much at tention as the championship classes, which were

judged between 9:30 and 10:30 o'clock. E. D. Jordan, of Boston, was the man of the our. He captured every blue but one at the evening show, including three of the champion classes. The first class judged was for harness horses for the Samuel M. Schaefer prize. The blue went to Eben D. Jordan's Laodeina. H. Vervacke's Silver Dream was second, and J. H. Branch's Miss

Sharp third. In the judging for the championship, the J. J. O'Donohue prize, four horses competed-Hildred, Mignonette, Newsboy and High Art. First prize

went to Hildred. Newsboy won second. Eben D. Jordan, of Boston, struck luck this afternoon. He has won from two to four ribbons every day of the show, and he started off to-day y winning three straight. He won another durng the afternoon. Mr. Jordan is the largest winner of the show, having captured one-fourth of the blue ribbons and a like amount of the prize money. There were two features this afternoon, the road race between the Vanderbilt, Lewisohn and Thompson fours, won by the first named, and the

running race. On the latter, which was decided ortly after 7 o'clock, considerable money changed hands. Virginla Francis was the favorite, although she finished third in the final heat. Mr. Jordan won the first class judged during the afternoon, ponies in harness, with Nirina and Kitty Gray, defeating Mrs. Gerken's Newsboy and Shop Girl. The award surprised many who thought Mrs.

Mrs. Grosvenor's Carnation and Rose Leaf. C. T.

Proctor's entry was fourth. In the high stepping class Mr. Jordan again carried off first honors, this time with Leodania, a new prize winner. Mrs. Grosvenor's Rosebery was given the red and Mrs. H. Vervaek's Forest Queen the yellow. Fourth place went to R. F. Carman's Parloic.

Gerken was a sure winner.

Burleigh and Lord Belfast, in the stanhope phaeton class. Jay F. Carlisle's Eloquence and Revenue got second prize, and Mrs. Grosvenor's Laughing Water and Indian Chief third.

In the tandem class, the fourth judged during the afternoon, Mrs. Gerken's Newsboy and Shop Giri took the blug. Second place went to Mr. Jordan's Baron and Hildred. Mrs. Grosvenor's pair was third and C. T. Proctor's fourth.

In the roadster class A. B. McClay's Auditor B. took the blue from W. J. Buttrfield's Miss Banahan. William M. V. Hoffman's Silk Lace, which was picked to win, got third place. Harry L. Toplitz's Judge Boardman was given the white ribbon in this

Mr. Jordan's fourth win was in the pairs for harness horses, ladies to drive, with Kitty Gray and Norina. The red in this class went to Mrs. Grosvenor's Fascination and Elevation, and the yellow to Mr. Thompson's Clydeville Queen and Future

to Mr. Thompson's Clydeville Queen and Future Queen. The white ribbon went to Mrs. A. O. Van Houson's Saint ami Sinner.

Mrs. Grosvenor swept the deck in the next two classes. In the judging of saddle horses she took the blue with Petroleum, and the red with Corinne, and repeated the trick in the judging of single horses for the championship, taking the blue with Petroleum and the red with Corinne.

The road race between Seabright and Long Branch attracted much attention. Hundreds of cottagers watched the race along the Joean Drive. The distance, six miles, was covered in 26 minutes. Mr. Thomson's four was first to enter the ring, the Lewisohn entries second and Alfred Gwynne Vanderbilt's Viking and Vanity and Vogue and Venture last.

e last, forty seconds separated the three. The bilt four, however, was in the best on-which was one of the conditions of the and won the blue. The Lewisohn four took

dition, which was one of the conditions of the race, and won the blue. The Lewisohn four took second piace.

Howard Willet's Heatherbloom won the third blue during the show in the hunter class. Although closely pressed, it was evident to the spectators that the first prize belonged to him. The West Chester Farm's Onerios got the red and Dick Donnelly's Rifle the yellow, while the white went to Jack Frost, the property of Chester Farms.

Manning & Selig won in the victoria class with Prince Alert, James C. Brady's entry, getting the red.

There were thirteen entries in the running race. Owing to the shortness of the track they were divided, and two races were held, the first and second in each competing in the finals. The first race was captured by Virginia Francis, owned by George Chipchase, and the second by William Carr's Moonlight Maid.

In the final heat Moonlight Maid won by a nose. Singleton Van Schalck's Stayaway was second and Virginia Francis third. The prizes in the running race was \$300 for the first, \$70 for the second and \$30 for the third horse. The best heat was made in 0.56 2-5.

RAIN STOPS TROTS.

Last Day of Grand Circuit at Detroit Called Off.

Detroit, July 29-Rain this afternoon prevented the horsemen at the Grosse Pointe truck from finishing the three Grand Circuit races that were un finished yesterday afternoon when rain began fal ing. It was therefore decided to settle the 2:06 pace and 2:19 trot according to the standing of the horses after the second heat and to trot the third and final heat of the Merchants and Manufacturers Consolation stake on Monday afternoon

the 2:06 pace Winfield Stratton won the first heat vesterday and finished fourth in the second. Baron Grattan was therefore accorded the race, with Winfield Stratton second, Riley B. third and Hazel Patch tourth. Androsis finished fourth and third yesterday and was also a money winner. In the 2:10 trot Zephyr, who won the first heat vesterday, and took second in the second, was yesterday, and took second in the second, was given the race. Second money was awarded to Norman B., the winner of the second heat. Brownie Wilton, which finished second and third yesterday, was given third money.

It is possible that the owners of the three horses left in the Merchants and Manufacturers Consolation may get together and agree to a division of the money and obviate the necessity for trotting a third heat Monday.

RECORD FOR TRAVERS.

Makes First Nine Holes at Shinnecock Hills in 33.

[EV TELEGRAPH TO THE TRIBUNE.]
Southampten, Long Island, July 29.—Showers marred the comfort of the players in the closing contests at the Shinnelock Hills Golf Club tournament to-day. There was an eighteen-hole handi-cap in the morning, in which Jerome D. Travers made a new record, going out in 3 4 3 3 3 4 4 4 5-33. He was in the rough on the twelfth and thirteenth holes, however, and, taking 44, had to be satisfied with the total of 77, the best gross score. U. A. Murdock, of the home club, won the net score prize, with 80-6-74, while Travers, Bowden and P. K. Hudson were tied at 76 net for the second prize. They settled it by their scores in the

ond prize. They settled it by their scores in the foursomes.

Bowden withdrew, and Hudson made \$2-14-78. Travers was in excellent form again, and did 78-1-71. This card also counted for the aggregate score foursome, in which Travers paired with Oswald Kirkby.

This gave to them an aggregate of 159, which was the best gross score. On the net the pair were tied for the two foursome cups with C. J. Sullivan and R. G. Miller, with 168-15-151.

All hands wanted to get away on late trains, so they determined to play off the tie at once. To equalize the handicaps this made two holes to be played. Travers and Kirkby did them in 19, to 21 for Sullivan and Miller, the former pair winning the tie by one stroke net.

The foursome was under a novel plan, conceived by J. Metcaif Thomas, under which the scores were combined and the handicaps of both added together and deducted to make the net score. The summaries:

As in the national event of 1902, on the same links, flood conditions to-day compelled the contestants to play the first nine holes of the course four times over. Golf in the morning rounds was mediocre. The going was heavy from vesterday's cloudburst, and great pools of water, that later disappeared under the sun's

influence, were then on the fair greens. Chandler Egan had a lead of one hole at the end of the first quarter. At the end of the hall Chandler retained his lead of one hole. Walter Egan began the afternoon play indifferently but at the twenty-seventh hole he had s steadied his play that he was 1 up on Chandle Four under bogie for the next four holes Chandler made a spurt that practically decided the championship. Winning the twenty-eighth, twenty-ninth, thirtieth and thirty-first holes

Chandler was 3 up. The next three holes were halved, Walter being in luck to get a half at the thirty-third as one of his shots was played from a bunker On the thirty-fourth green Walter had a 14-foot putt for a 2, but, failing to hole, the match was ended, with Chandler 3 up, 2 to play. The
